Maintenance Engineer

KDAF WB33 is seeking a Maintenance Engineer to maintain, repair, and trouble-shoot all phases of television operations. Applicant must have electronic training background with a minimum of three years experience in broadcast equipment maintenance. Must be able to work various hours including nights and weekends. FCC General class license or SBE certification preferred.

Job Code: ME-002.

Submit resume to:

Human Resources
KDAF WB33
8001 John Carpenter Fwy.
Dallas, TX 75247

EOE and Drug Free Workplace

No phone calls please.

Notes:

1. We recommend that you either save or print this page and provide the above Job ID number to an TVJobs administrator in any future correspondence concerning this ad.
2. We recommend that you print this page and include it with your EOE file for this position as confirmation that this job was posted for the above duration at TVJobs.com (<http://www.tvjobs.com>)
3. We will send notification of pending expiration prior to the expiration date to enable you to extend the job, if necessary. Should you need this job extended, e-mail admin@tvjobs.com, supply reference number and amount of additional time needed. We are happy to extend the position for you.
4. If no extension is needed, the job will be automatically removed at 1 am PST on 12/7/2005.

5. If for any reason you need the listing removed early, e-mail
admin@tvjobs.com, supply reference number and reason for removal.
6. If you would like to verify that the actual job listing is online,
point your browser to:

<http://www.tvjobs.com/cgi-bin/JOB?ID=2581421016668471>

TIP! The above address is a good way to check on the status
of this position. Keep this address where you can easily find it.

Thank you very much for posting your available positions at TVJobs.
If we can be of any further assistance, don't hesitate to ask.

Best Regards

Mark C. Holloway
